Hi my name is Kevin. Today I'm going to talk to you about my family. I have a big family with four brothers and one sister. I also have many uncles, aunts and cousins.

My sister is the oldest. She is twenty years old. I am the youngest, I am thirteen. We live on a farm outside of the city. On Monday, Tuesday, Thursday and Friday I go to school but on Wednesday I work on the farm.

I have three aunts that live with me and they are very good cooks. For breakfast everyday they cook me eggs and vegetables. It's delicious. Sometimes they even cook me a cake to eat at school!

On Saturday I like to play football with my friends. On Sunday we have a big dinner with my favourite uncle and we eat a lot of seafood because my uncle is a fisherman. His name is Joe and he is 42 years old and he is very funny. Sometimes I go fishing with him.

When I am older I want to be a fisherman. I have two cousins, Tim and John that are 11 and 14 and they want to be fishermen with me too. I don't want to be a farmer.
