QSAC

QSAC est un guide pour vous aider avec l'ordre de vos adjectifs dans une phrase.

En français, vous pourriez dire quelque chose comme « J'ai une grosse et vieille voiture rouge » mais en anglais l'ordre des mots n'est pas le même. – I have a big, old red car.

En anglais, l'objet/personne/chose que vous décrivez se trouve généralement à la fin de la phrase et l'ordre des adjectifs suit mon acronyme **QSAC.**
