

Ten Reindeer Christmas Song

Ten reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
Nine reindeer, Nine reindeer

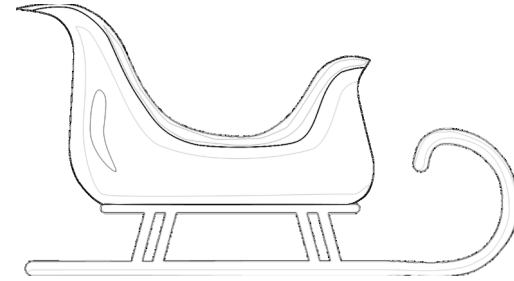

Nine reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
Eight reindeer, eight reindeer

Eight reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
Seven reindeer, seven reindeer

Seven reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
Six reindeer, six reindeer

Six reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
Five reindeer, five reindeer

Five reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
Four reindeer, four reindeer

Four reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
Three reindeer, three reindeer

Three reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
Two reindeer, two reindeer

Two reindeer went out one day
working hard on Santa's sleigh
Rudolph said let's go and play
One reindeer, one reindeer

One reindeer went out one day
working hard on Santa's sleigh
Christmas is my favourite day
Merry Christmas cheers
