

## Parts Of The Body – Oh Yeah

Stamp your feet,  
to the beat  
Touch your nose,  
touch your toes

Stand up, sit down  
Move your shoulders  
all around

Parts of the body – oh yeah  
Parts of the body – my hair

Clap your hands,  
if you can  
Ten fingers,  
two hands

This is me,  
that is you  
We say knee,  
not 'genou'

Parts of the body – oh yeah  
Parts of the body – my hair

face..... face  
mouth..... mouth  
tooth..... tooth  
tongue ..... tongue  
chin ..... chin  
ear..... ear  
eye ..... eye  
neck ..... neck

Parts of the body – oh yeah  
Parts of the body – my hair

feet..... feet  
nose..... nose  
toes..... toes  
shoulders..... shoulders  
hair..... hair  
ear..... ear  
eye ..... eye  
neck ..... neck

Parts of the body – oh yeah  
Parts of the body – my hair
