

The Halloween Song!

There are witches, ghouls and ghosts

Walking down the road

It must be Ha.....LLL.....oo weeen

They're doing trick or treat

if we don't give them sweets

they're going to do something baaaadddd

It's Hallo, It's Hallo, It's Hallo, it's Halloween

It's Hallo, It's Hallo, It's Hallo, it's Halloween

There are bats in the haunted house

I'm shaking like a mouse

It must be Ha.....LLL.....oo weeen

I can hear screams and shouts

owls are flying all about

It must be Ha.....LLL.....oo weeen

It's Hallo, It's Hallo, It's Hallo, it's Halloween

It's Hallo, It's Hallo, It's Hallo, it's Halloween

There are witches, ghouls and ghosts

Walking down the road

It must be Ha.....LLL.....oo weeen

They're doing trick or treat

if we don't give them sweets

they're going to do something baaaadddd

It's Hallo, It's Hallo, It's Hallo, it's Halloween

It's Hallo, It's Hallo, It's Hallo, it's Halloween
